This is My APP

My Name is Stephen John Campilan

I am 20 years old

And these are my favorite things

Pizza	Dessert	Fruits

And these are my hobbies

Sleeping	Playing	Eating

```dart
import 'package:flutter/material.dart';

class sample extends StatelessWidget {
  const sample({super.key});

  @override
  Widget build(BuildContext context) {
    return Scaffold(
      body: Center(
